JAPANESE GASTRONOMIC SPEAKEASY

Sen

PRIVATE EVENTS

CONCEPT
コンセプト

In Monaco, the most coveted addresses are never advertised. They are shared in confidence.

Hidden within Le Méridien Beach Plaza, Sen is a Japanese gastronomic speakeasy conceived by the Kodera family, official purveyor to the Principality of Monaco's Princely Family.

Designed as a discreet sanctuary, Sen expresses Japan at its most refined: exceptional product, impeccable craftsmanship, deep respect for seasonality, and a philosophy of hospitality guided by omotenashi, the art of anticipating every need without ever imposing.

For private events, Sen offers an exclusive alternative to traditional venues. Removed from the spotlight, it provides an atmosphere that is intimate, elegant, and entirely exclusive.

A place to connect, celebrate, entertain, close deals, and create lasting impressions, in complete confidence.

THE ART OF JAPANESE GASTRONOMY
日本料理の芸術

Under the direction of Chef Hiroki Hiyama, Sen celebrates the essence of Japanese gastronomy through a cuisine guided by seasonality, craftsmanship, and respect for every ingredient.

Created for intimate gatherings and exceptional occasions, each private event becomes a carefully orchestrated culinary experience, where precision, elegance, and omotenashi come together to create moments that linger long after the last course is served.
